In the event of recertification of values by the County Assessor's Office after the date of adoption hereof, staff is hereby directed to modify and/or adjust the budget and certification to reflect the recertification without the need for additional Board authorization. **2025**

## **BUDGET MESSAGE**

Denmore Metropolitan Districts Nos. 1-5 are quasi-municipal corporations organized and operated pursuant to provisions set forth in the Colorado Special District Act. District No. 1 is responsible for construction of improvements within the community, with initial funding initially provided via developer advances which are expected to be repaid using debt to be issued by Districts 3-5. District No. 2 is responsible for providing administrative and operational support for all of the Districts, with funding coming from operational levies of Districts 3-5. Districts 4 and 5 are currently inactive.

The district has no employees and all operations and administrative functions are contracted.

The following budget is prepared using the modified accrual basis of accounting.

The districts were formed with the primary purposes to finance construction of public improvements as defined in the Service Plan for the districts and to operate and maintain such public improvements that are not otherwise dedicated or conveyed to other governmental entities.

## **BUDGET STRATEGY**

The District's strategy in preparing the 2025 budget is to strive to provide the scope of services defined in the service plan in the most economic manner possible.

## **REVENUE**

The District certified a mill levy for 2025 collection of 0.000 mills. The District will rely on developer advances to fund capital costs.

## **EXPENDITURES**

The District budgeted for capital expenditures to be accounted for in the Capital Fund. Only a contingency for unforeseen needs was budgeted for in the General Fund as administrative and operational services are provided by District No. 2.
